1. Be - cause He left His place on high - Like un - to God, A - noint - ed One -
2. Be - cause a God ex - changed His throne For mor - tal flesh, the form of man,
3. Be - cause the One who knew no sin Took on Him - self the sins of all

Who spoke with power to form the worlds, Who earned the name "Be - lov - ed Son,"
To walk His way on earth a - lone, Sub - mis - sive to His Fa - ther's plan,
And bore the weight of hu - man grief - Full dark - ness of the mor - tal pall -

Be - cause He chose to con - des - cend, To leave be - hind His Fa - ther's face,
Be - cause He gave His life to serve, To teach and heal, to love and bless,
Be - cause He crushed all Sa - tan's pow'r And con - quered fear and death and pain,

He o - ver - came man's fal - len state To lift us back to God's em - brace.
He marked the one path back to God That all must walk to gain His rest.
We may be suc - cored, cleansed and freed To rise like him and glo - ry gain.
